

In the name of God

Name: Reza

Surname name: Pakzad

Contact information:

Ilam University of Medical Sciences, Faculty of health, Department of Epidemiology.

Tel: ---

Fax: ---

E-mail: rezapakzad2010@yahoo.com

Academic rank:

Assistant Professor

Faculty:

Faculty of health

Educational history

Academic field	Degree	University	Country	Graduation date
Epidemiology	Masters	Tehran university of medical sciences	Iran	1393
Epidemiology	PhD Student	Tehran university of medical sciences	Iran	1399

Master Thesis Title:

Spatial modeling of cutaneous leishmaniasis in Iran from 1983 to 2013 using geographical information system (GIS)

Doctoral Thesis Title

Effect of Smoking on Breast Cancer by Adjusting for Smoking Misclassification Bias and Confounders Using a Probabilistic Bias Analysis Method

Conference presentations

1: The spatial distribution of Breast cancer incidence in iran; West asia The 8th APOCP regional conference. Nov 2 , 2015.

2: The spatial distribution of skin cancer incidence in iran. West asia The 8th APOCP regional conference. Nov 2 , 2015.

3: The spatial distribution of colon cancer incidence in iran. West asia The 8th APOCP regional conference. Nov 2 , 2015.

4: The spatial distribution of Breast cancer incidence in iran. West asia The 8th APOCP regional conference. Nov 2 , 2015.

5: Spatial Modeling of Brucellosis by Using GIS in Iranian Population from 2011 to 2014. 8th Iranian epidemiology congress & 1st international congress of clinical epidemiology.

6: Global and Regional Estimates of Prevalence of Amblyopia: A Systematic Review and Meta-Analysis. 28th Annual Congress of the Ophthalmology Society. 15 November 2018.

Research projects

1: Spatial Modeling of Brucellosis by Using GIS in Iranian Population from 2011 to 2014. Approved in: Research deputy; Tehran University of Medical Sciences.

2: Spatial modeling of Visceral leishmaniasis using GIS in the years (1382-1392) in Iran. Approved in: Research deputy; Tehran University of Medical Sciences.

3: Spatial modeling of cutaneous leishmaniasis using GIS in the years (1382-1392) in Iran. Approved in: Research deputy; Tehran University of Medical Sciences.

- 4: Evaluating of the prevalence of high-risk behaviors and its influencing factors at Tehran University of Medical Sciences students in 2014. Approved in: Research deputy; Tehran University of Medical Sciences.
- 5: Preparation of CCHF database in Iran. . Approved in: Research deputy; Tehran University of Medical Sciences.
- 6: Assessing compliance with standard prerequisites of HACCP in nutrition department of educational hospitals at Kermanshah University of Medical Sciences in 2015. Approved in: Research deputy; Kermanshah university of medical sciences.
